community facilities (A1-A5 & D1), primary school, open space, play areas, recreation facilities, landscaping, associated demolition, ground works and infrastructure. Site Address: Alconbury Weald Ermine Street Little Stukeley Reference: 19/01341/OUT
 SPC wish to lodge a holding objection to the outline application as currently submitted and wishes to engage with both HDC planning and UC to explore an amended submission which would protect the separation of AW from Huntingdon and enable a meaningful country park to be provided to maintain this separation in perpetuity.
 That UC be requested to fully consider other options for delivering additional housing – noting that it is up to 1500 and does not necessarily mean 1500 exactly.
